**Description**

2014 Jeanneau Merry Fisher 855 Marlin with twin 150hp Mercury outboards only (180 hours) with a max speed of around 34 knots all in very good condition. She has sliding wheel house doors to both sides of the main cabin, making for easy access all around the boat. She comes with 10" chart plotter and sounder, Navicom VHF, Bow thruster, electric windlass, stereo with built in speakers, fridge, gas cooker, sink, fold away seating and tables to rear deck, large bow seat, sliding sunroof, wash down, fish holds, boarding ladder, transom shower, rod holders, remote control spot light, toilet, double berth to the bow and single berth and a half under the floor in the cockpit area that you step down into, and retractable table that slides up and down on a pole that is kept in the ceiling, allowing for more space when needed. She also has extended stainless steel bow platform, and stainless steel bimini frame and could be removed if not needed no problem. This boat is in very good condition and has recently been compounded and polished, and the engines serviced with new oil, filters, impellers and anodes. we may consider part exchange, and we can deliver her any where. Please email or call for a viewing or sea trial. Priced at the lowest in the country, grab a bargain.
