
Arvor - 230AS

£ 31,500

Description

2012 ARVOR 230 AS - With the much sought after Mercruiser Cummings diesel engine, only 111 hours from new, this boat is in excellent condition and only had very light use. She comes fully loaded with Garmin Radar and chart plotter/sounder, bow thruster, electric windlass, trim tabs, trolling valve with out side controls, lots of rod holders, wash down pump and hose, live bait well, sea toilet with sink and gas stove, life raft with life ring and life jackets and flares. This is a fine example of these much sought after boats, very few around especially as new as this one. this boat is due in any day now when we will give it a full professional compound and wax, along with new antifoul and anodes. We may consider part ex, and we can deliver anywhere. please call for a viewing seatrail or for anymore infomation.
