
Blyth cat - Blyth cat 33

£ 35,000

Description

1995 Blyth Cat 33ft (10m) previously used as static training boat, partly converted to 1 bed floating live aboard, includes kitchen area, bedroom/lounge area and outside toilet, all furniture included, and beautiful quay side live aboard berth at any one of our 3 marinas available. Alternatively the boat could go back into commercial use, engine bays are there, shafts are there, just need a set of engines, these boats are very well built and sought after. Or could be used as safety/live aboard boat for any large water side commercial building. project
