

Quicksilver - QUICKSILVER 905 PILOTHOUSE

£ 84,950

Description

2015 Quicksilver 905 Pilothouse with twin 200hp Mercury Verado engines only 70 hours use from new. This is Quicksilvers flagship model boat, she is the top of their range and a fantastic all rounder, ideal for fishing, family fun, skiing, diving and sleeping over night. She comes with lots of features that include, air con with heating, fish fighting chair, outside fold away rear seat option, electric sliding bait station, refrigeration draw, live bait well, wash down, fish holders, outside table, LED lighting, bow thruster, trim tabs, electric windlass, Radar, chart plotter, sounder with built in sinus radio and bluetooth stereo, vhf, gas stove, fridge, microwave, sink, hot and cold water, remote spotlight, sliding sunroof, rear sliding door, and drivers side sliding doors for easy and quick access outside, rear boarding ladder, lots of rod holders, 2 x double berths and another small double on the cockpit lounge area, toilet, shower and more. This boat has it all and is unusual that it ticks almost every box for every need, there aren't many of these around at the moment and they are much sought after vessels, they are better designed, thought out and have better sea keeping than any Arvor, Merry Fisher Marlin or Beneteau Barracuda. If you want a boat that can do everything then this is the boat for you. please call or email for a viewing or sea trial, we may consider part ex, car or boat, what have you...? We can deliver anywhere.
