
ALLUMINIUM - 7.5M

£ 33,750

Description

2013 Aluminium fishing boat with large rear deck and large cabin. She comes with twin Yamaha 60hp high thrust outboards, just serviced, with hydraulic steering, long rear bench seat across the back of the boat, bait table behind the cabin that could also double as somewhere to put your fish boxes, and access around the wheelhouse with grab rails on the roof. Inside the cabin she is in very good condition, and has blown warm air heating, 12" Raymarine chart plotter, sounder, and radar, Raymarine autopilot, Raymarine VHF. She also has 2 burner gas stove, plenty of storage, lights, windscreen wipers and more. This is a great strong all round boat for fishing, day pleasure use and anything else in between. She also comes with a custom built 4 wheel road legal trailer that tows very well. An has a top speed of 26 knots. Sea trial can easily be arranged, and if you don't want to, or can't travel because of Covid we are happy to arrange delivery anywhere.
